## the tucci's philosophy

Tucci's prides itself on offering the finest ingredients available within a Chef-driven menu. When possible, we use organic poultry and locally grown ingredients—and always fresh. It is important to us to prepare everything "in-house" including baking our own bread, cutting our own meat and seafood, and creating our own desserts. We also take great care in selecting the suppliers from whom we receive our beef and seafood, and are proud of our relationships with Honolulu Fish Company and Buckhead Beef.

Throughout Central Ohio, Tucci's also is known for having an outstanding wine program that features an inventory of more than 270 bottles. We also utilize the Enoline Wine Serving System, which allows our guests to enjoy 2-, 4-, or 6- ounce pours of 16 different wines typically not available by the glass. We also take care to cellar all bottles of red wine at 58 degrees to ensure top quality. We are very proud of, and take seriously, the quality of our wine program and believe the dedication to these details showcase our desire to be one of the top wine destinations in Central Ohio.

## sunday retail wine night

Every Sunday from 3pm until 9pm, Tucci's offers all bottles of wine from our menu priced at \$100 or less for state minimum pricing. At anytime, guests may purchase wine from our inventory at the retail price to enjoy at home. For more information on Tucci's retail wine sales, please contact our Wine Steward, Bruce Abbott at [b.abbott@clbrestaurants.com](mailto:b.abbott@clbrestaurants.com).
